GIVING TUESDAY

On Tuesday, all over the globe, people will take a moment out of their busy everyday schedules to support nonprofits by donating their money and time. It's not just any day – it's Giving Tuesday. Locally, 51 business leaders on both sides of the Hudson have stepped forward to support Volunteer New York's #Bridge2Give Giving Tuesday campaign. They have contributed over \$34,000 to amplify the organization's mission to encourage more volunteering from everyone in the community. If you'd like to get more involved and make a difference tomorrow, or any day of the year, visit www.volunteernewyork.org/givingtuesday
